About Entellect Limited & KNeoWORLD:

Entellect's 80% owned KneoWORLD is a publishing house whose business revolves around selling engaging educational games through its fun KNeoWORLD Games Portal in the exciting education by entertainment games sector.

Games that have inherent educational value are licenced from independent developers and sold via subscriptions to its primary market of parents of 5-12 year old children (initially USA – but unrestricted and already worldwide) who by subscribing, give their children an educational advantage by playing fun and engaging games with validated educational content. Marketing is primarily via US school Parent Teacher Associations as a fund raising initiative Associations and direct to online consumers via social media.

We accelerate learning using compelling and fun online games infused with validated educational content, all embedded in a total virtual KNeoWORLD, to teach the higher order skills required by children to succeed in today's knowledge-based economy - we go beyond school and beyond homework.

Our goal is to become one of the world's leading game based learning publishers.
