CHAIRMAN'S LETTER

Dear Shareholders

The Year in Review

It has been a year of remarkable **progress** and **achievement** for the Company, culminating in the imminent launch of its KNeoWORLD product in the US market. The Company is now poised to become a **major participant** in the educational **games** and **social media** industry.

The 2012 financial year commenced with the Company successfully completing its recapitalisation pursuant to its non-renounceable rights issue and public offer in July 2011 and subsequently having its shares requoted on the Official List of the Australian Securities Exchange (**ASX**) with trading resuming on 25 July 2011.

The re-quotations of the Company's shares on the official list of the ASX marked a significant **milestone** for Entellect, and represented the conclusion of a challenging period of reconsolidation, restructuring and rebuilding of the Group's corporate, capital and project base which had formed part of the Board's strategic initiatives to generate **shareholder value**.

With its **strengthened** balance sheet, and recapitalisation complete, the Company focussed on the development and commercialisation of its key business, **KNeoWORLD**, through the Company's San Francisco based joint venture, Knowledge Nation.

Knowledge Nation is a joint venture between Entellect Limited (60%), Mooter Media Ltd, and Hot Shot Media Group and is a global coordinator of educational games and initiatives that are fun, compelling and desirable to children and designed to improve learning skills.

The Knowledge Nation **business model** is the licensing, integration and distribution of world-class educational interactive games augmented and optimised to enhance learning for young students. Validated by educators, the games, apps and initiatives are fun, compelling and desirable to children and are designed to improve learning skills.

The Knowledge Nation team, led by CEO, **Robin Matthews**, a veteran of the video games industry, set about their development work over several months, and have now produced an educational games portal, KNeoWORLD, through which the delivery of world class education-based games and applications, on a micro payments and apps basis, is about to commence.

The **KNeoWORLD** product has **successfully** completed several phases of testing, and its commercial launch is now scheduled to occur imminently.

Knowledge Nation has **continued** its product development including strengthening relationships with developers worldwide and actively sourcing and licensing games for its first and second bundles due to be released in the third and fourth quarter of 2012. This has included commissioning new games and modifying existing product to enhance their educational content.

The Company is now **well positioned** to not only launch its KNeoWORLD product into the **lucrative** and growing US educational games and social media market, but to continue to build a solid strategy for **growth** in this **dynamic** industry.

Results

The Group's results for the year ended 30 June 2012 reflect that the Group did not have revenue during the 2012 financial year but continued to fund the development of **KNeoWORLD**. The results reflect the Company's contribution to its 60% owned joint venture, Knowledge Nation, and in particular Knowledge Nation's cost of developing KNeoWORLD at its San Francisco offices, as well as the corporate costs of ESN. The Directors are satisfied that expenditure for Knowledge Nation to date represents a sound investment in the development of KNeoWORLD as a major asset which the Company expects will continue to grow and achieve revenues from, not only in North America, but in other major geographic regions as well.

During the year the Company re-launched vPublisher, its e-book content delivery software, capable of working in all languages to which it exclusively holds the intellectual property. The directors continue to pursue revenue opportunities with joint venture parties who can offer product distribution to potentially wide customer bases, however have refrained from engaging in high product development costs in a rapidly changing market until such time as those costs can be amortised against appropriate levels of revenue and profit.

Outlook

The Directors believe KNeoWORLD represents a significant opportunity to participate in the rapidly expanding mobile and educational games industry. Mobile 'edugames' are already outselling non-mobile (PC/web/console) 'edugames'. Revenue achieved from mobile 'edugames' reached \$163.3 million in 2011. The compound annual growth rate (CAGR) of the mobile 'edugames' sector is 16.9%, and based on this CAGR, North American revenues from 'edugames' will reach \$359.3 million by 2016. In comparison, the CAGR for non-mobile 'edugames' is 4.9% and based on this rate revenues will reach \$155.5 million by 2016¹.

The Board looks forward to keeping shareholders informed of advancements in achieving the Company's business plan as they occur over the current financial year.

Yours faithfully

Andrew Plympton
Chairman

Melbourne, 27 September 2012

¹ Ambient Insight August 2012

DIRECTORS' REPORT

The Directors present their report together with the financial report of the consolidated entity consisting of Entellect Limited and its controlled entities ("The Group"), for the financial year ended 30 June 2012 and independent auditor's report thereon.

INFORMATION ON DIRECTORS AND COMPANY SECRETARY

The qualifications, experience and special responsibilities of each person who has been a Director of Entellect Limited, together with details of the Company Secretary, during the financial year and until the date of this report are as follows. Directors were in office for this entire period unless otherwise stated.

CURRENT DIRECTORS

INFORMATION ON THE COMPANY SECRETARY

The Company Secretary of the Group at any time during and since the financial year end to the date of this report was Sophie Karzis. Ms Karzis (B Juris., LLB) is a practicing lawyer with over 10 Years' experience in corporate law. She is company secretary and general counsel to a number of public (listed and unlisted) and private companies and is the principal of Corporate Counsel, a business which provides corporate and company secretarial services to Australian companies.

PRINCIPAL ACTIVITIES

The principal activities of the Group during the course of the financial year were the Educational Games Development business and the vPublisher eBook Content Delivery Software business.

OPERATING RESULTS

	2012 \$	2011 \$
The consolidated loss of the Group after providing for income tax:	(1,995,816)	(1,268,627)

DIVIDENDS PAID OR RECOMMENDED

No dividends have been paid or declared since the commencement of the financial year. The Directors do not recommend that a dividend be paid for the year ended 30 June 2012.

REVIEW OF OPERATIONS AND FINANCIAL POSITION

The Group incurred a loss for the year of \$1,995,816 (2011: Loss \$1,268,627) primarily attributable to ongoing corporate costs and the execution of its new business development objectives.

The Group's results for the year ended 30 June 2012 reflect that the Group did not have revenue during the 2012 financial. Following its recapitalisation, the Group is now well placed to execute its business development objectives.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

The following significant changes in the state of affairs of the Group occurred during and subsequent to the financial year:

- The Company finalised arrangements with the liquidator of a former ESN subsidiary to recover key assets of its vPublisher business and the Company relaunched this business in July 2011.
- On 15 July 2011, Entellect Limited successfully completed its recapitalisation pursuant to its non-renounceable Rights Issue (with a public offer component) in conjunction with a placement (collectively the Offer), in accordance with the terms set out in the Company's Replacement Prospectus dated 17 June 2011.
- The Company applied to the Australian Securities Exchange (ASX) to have its shares requoted on the official list of the ASX and this was approved; consequently, the Company's shares were re-quoted and resumed trading on the ASX on 25 July 2011.
- As a result of the Offer, the Company as at 20 July 2011 raised \$4,327,493 and had 952,737,932 fully paid ordinary shares and 9,712,500 options on issue.

AFTER BALANCE DATE EVENTS

Other than the matter noted below, no matters have arisen in the interval between the end of the financial year and the date of this report in respect of any item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Group, to affect significantly the operations of the Group, the results of those operations, or the state of affairs of the Group, in future financial years.

The Company is currently in the process of undertaking a convertible note issue of which it expects to raise approximately \$600,000. The Company will advise the market accordingly upon completion of this issue.

FUTURE DEVELOPMENTS, PROSPECTS AND BUSINESS STRATEGIES

Likely developments in the operations of the Group and the expected results of those operations in future financial years have not been included in this report, except to the extent noted in the Chairman's Letter on page 2, as the inclusion of such further information is likely to result in unreasonable prejudice to the Group.

ENVIRONMENTAL ISSUES

The Group's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory of Australia.

REMUNERATION REPORT (Audited)

This report details the nature and amount of remuneration for each director of the Group and other key management personnel. The information which follows through to the end of the section titled *'Employment Contracts of Directors and other Key Management Personnel'* is subject to audit by the external auditors.

Directors' Interests

The relevant interest of each Director in the shares and quoted options over shares of the Group, as notified by the Directors to the Australian Securities Exchange in accordance with Section 205G (1) of the Corporations Act 2001, at the date of this report are:

	Ordinary Shares		Options Unquoted
	Direct	Indirect	
Andrew Plympton	2,000,000	-	-
James Kellett	-	18,400,000	-
Jeffrey Bennett	-	65,317	-

Remuneration Policy

The remuneration policy of the Group has been designed to align director and executive obligations with shareholder and business objectives by providing a fixed remuneration and options. The Board of the Group believes the remuneration policy to be appropriate and effective in its ability to attract and retain the best executives and directors to run and manage the Group.

The Board's policy for determining the nature and amount of remuneration for board members and other key management personnel of the economic entity is as follows:

The remuneration structure for key management personnel is based on a number of factors including length of service, particular experience of the individual concerned, and overall performance of the Group. All executives receive a base salary and superannuation. The Nomination & Remuneration Committee reviews executives' packages annually by reference to the entity's performance, executive performance and comparable information from industry sectors and other listed companies in similar industries. The Board may exercise its discretion in relation to approving bonuses and options and can recommend changes to the committee's recommendations. The policy is designed to attract the highest calibre of executives and reward them for performance that results in long-term growth in shareholder wealth.

The executive directors and other key management personnel do not receive any superannuation contribution and any other retirement benefits.

All remuneration paid to directors and other key management personnel is valued at the cost to the Group and expensed. Options given to directors and key management personnel are valued using the Binomial methodology.

The Board policy is to remunerate non-executive directors at market rates for comparable companies for time, commitment and responsibilities. The maximum aggregate amount of fees that can be paid to non-executive directors is subject to approval by shareholders at the Annual General Meeting. The last approved increase occurred at the 2007 Annual General Meeting where the maximum fees payable to directors increased from \$150,000 pa to \$300,000 pa. Fees for non-executive directors are not linked to the performance of the Group. However, to align directors' interests with shareholder interests, the directors are encouraged to hold shares in the Group.

Use of remuneration consultants

No remuneration consultants were used during the year.

Voting and comments made at the company's 2011 Annual General Meeting

The Company received more than 95% of "yes" votes on its remuneration report for the 2011 financial year. The Company did not receive any specific feedback at the AGM on its remuneration report.

Group Performance, Shareholder Wealth and Directors and other Key Management Personnel Remuneration

The remuneration policy has been tailored to increase goal congruence between shareholders and directors and other key management personnel. One of the main methods to achieve this aim will be the issue of options to executives to encourage the alignment of personal and shareholder interests, which the Board is currently considering. The Group believes this policy will be effective in increasing shareholder wealth in future years.

Details of Remuneration for Year ended 30 June 2012

Details of the nature and amount of each major element of the remuneration of each Director and other Key Management Personnel of the Group are:

	Short-term		Post Employment		Share Based Payment	Total	Performance related
	Salary, Fees & Commissions	Super-annuation Contribution	Cash Bonus/ Other	Non-cash Benefits	Super-annuation		
	\$	\$	\$	\$	\$	\$	%
2012 – Directors & executives

⁽¹⁾ Resigned on 19 January 2011

⁽²⁾ Resigned on 19 August 2010

⁽³⁾ Resigned on 19 August 2010

Options Granted

No options were granted to Directors or other key management personnel during the year ended 30 June 2012.

Changes in Directors and Key Management Personnel

No changes in Directors and Key Management Personnel during the year ended 30 June 2012 other than the appointment of Mr Robin Matthews as CEO of Knowledge Nation Inc., from 1 April 2012.

Employment Contracts of Directors and other Key Management Personnel

The Company's policy for determining the nature and amount of emoluments of directors and other key management personnel is as follows:

The remuneration structure for key management personnel is based on a number of factors including length of service, particular experience of the individual concerned, and overall performance of the Company. The contracts for service between the Company and specified directors and executives are on a continuing basis, the terms of which are not expected to change in the immediate future. Upon retirement specified directors and executives are paid employee benefit entitlements accrued to the date of their retirement.

The employment terms and conditions of key management personnel and Group executives are formalised in contracts of employment.

Termination payments are generally not payable on resignation or in a case of serious misconduct. In the instance of serious misconduct the Group can terminate employment at any time. Options not exercised within 30 days of the date of termination lapse.

Group Key Management Personnel	Position held as at 30 June 2012 and any change during the year	Contract details (duration and termination)	Proportions of elements of remuneration related to performance			Proportions of elements of remuneration not related to performance	
			Non-salary cash-based incentive %	Shares / Units %	Options / rights %	Fixed Salary / Fees %	Total %
Andrew Plympton	Non-executive Chairman	No fixed term. No termination conditions.	-	-	-	100	100
James Kellett	Executive Director, CEO	Fixed term contract. Termination conditions apply. ⁽¹⁾	-	-	-	100	100
Jeffery Bennett	Non-executive Director	No fixed term. No termination conditions.	-	-	-	100	100
Robin Matthews	CEO, Knowledge Nation Inc	Three years contract with effect 1 April 2012 @ US\$200k p.a. Termination conditions apply. ⁽²⁾	-	-	-	100	100

(1) Entellect entered into a Services Agreement with Furneaux Management Pty Ltd (**Consultant**), a related party of James Kellett, on 23 December 2010 (**Services Agreement**) for the provision of CEO consultancy services. The term of the Services Agreement commenced on 1 December 2010 and was extended for a number of further terms to 31 December 2011 and thereafter for rolling six month periods. Under the Services Agreement, the Consultant must provide the services through its key person, being James Kellett. Other than expiry of the term, the Services Agreement may be terminated under usual commercial terms including breach of contract, insolvency, misconduct, criminal offence and incapacity.

(2) The Company, and it's 60% owned subsidiary, Knowledge Nation Inc., (**KNI**) entered into an Executive Employment Agreement on 1 April 2012 with Robin Matthews for the position of Chief Executive Officer of KNI. The Agreement is for an initial term of three years from the commencement date of 1 April 2012 and is then renewable by KNI at its option and discretion for successive twelve (12) month terms. Other than expiry of the term, the Services Agreement may be terminated under usual commercial terms including breach of contract, insolvency, misconduct, criminal offence and incapacity.

-End of Audited Remuneration Report-

DIRECTORS' MEETINGS

The number of Directors' meetings and number of meetings attended by each of the Directors of the Company during the financial year were:

Director	Directors' Meetings	
	Number Attended	Number eligible to attend
Andrew Plympton	6	7
James Kellett	7	7
Jeffrey Bennett	6	7

The Company's Audit & Risk Committee is comprised of the Board as a whole and therefore does not hold separate meetings. The Company's Nomination & Remuneration Committee did not meet during the 2012 financial year.

INDEMNIFYING OFFICERS OR AUDITOR

The Company has not entered into an indemnification agreement with the directors, executive officers or auditors.

Since the end of the previous financial year the Company has paid insurance premiums in respect of Directors' & Officers' liability insurance and legal expenses, for Directors and Officers, including executive officers of the Company and Directors, executive officers and secretaries of its controlled entities. In accordance with usual commercial practice, the insurance contract prohibits disclosure of details of the nature of the liabilities covered by the insurance, the limit of indemnity and the amount of the premium paid under the contract.

OPTIONS

At the date of this report, the unissued ordinary shares of Entellect Limited under option are as follows:

Expiry Date	Exercise Price	Number of Option
30 September 2012	1 cent	5,000,000
30 September 2012	1 cent	3,212,500
TOTAL		8,212,500

During the year ended 30 June 2012, there were no ordinary shares (2011: nil) of Entellect Limited issued on exercise of options granted under the Entellect Limited Employee Share Option Plan. No amounts are unpaid on any of the shares.

PROCEEDINGS ON BEHALF OF COMPANY

No person has applied for leave of Court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or part of those proceedings.

The Company was not a party to any such proceedings during the year.

NON-AUDIT SERVICES

The auditor, Grant Thornton, did not provide any non-audit services to the Group during the financial year ended 30 June 2012.

GOING CONCERN BASIS

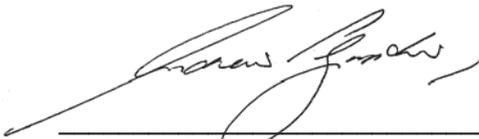

Notwithstanding the loss for the year of \$1,995,816 (2011: \$1,268,627) and net cash outflows used in operations of \$1,629,953 (2011: \$1,704,849), the financial report has been prepared on a going concern basis. The Directors are confident that the combination of careful management of overheads and the successful development of the KNeoWORLD games portal, as well as potential capital raisings (should the need arise), will provide sufficient funds to meet the ongoing capital requirements of the Group for the foreseeable future.

On the basis of these factors, although there is significant uncertainty, the Group's cash flow forecast fully supports the Directors' view that it is appropriate for the accounts to be prepared on a going concern basis and that the Group will be able to meet its debts as and when they become due and payable for a period of at least 12 months from the date of this report.

AUDITOR'S INDEPENDENCE DECLARATION

The lead auditor's independence declaration as required under section 307C of the Corporations Act 2001 for the year ended 30 June 2012 has been received and can be found on page 13, which forms part of this report.

Signed in accordance with a resolution of the Directors

Andrew Plympton
Chairman

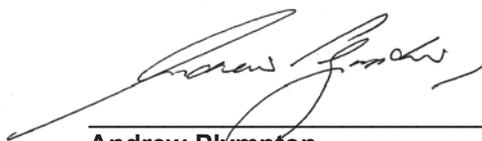

27 September 2012

DIRECTORS' DECLARATION

The Directors of the Group declare that:

1. The consolidated financial statements and notes, as set out on pages 20 to 52 are in accordance with the Corporations Act 2001 and:
 - a) comply with Australian Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - b) give a true and fair view of the financial position as at 30 June 2012 and of the performance for the year ended on that date of the Consolidated Group;
2. The Chief Executive Officer and the Chief Financial Officer (or equivalent) have each declared as required by Section 295A of the Corporations Act 2001 that:
 - a) the financial records of the Company for the financial year have been properly maintained in accordance with section 286 of the Corporations Act 2001;
 - b) the financial statements, and the notes for the financial year comply with the Accounting Standards; and
 - c) the financial statements and notes for the financial year give a true and fair view;
3. In the directors' opinion, further to the matters included in Note 1(a), there are reasonable grounds to believe that Entellect Limited will be able to pay its debts as and when they become due and payable; and
4. The consolidated financial statements comply with International Financial Reporting Standards.

This declaration is made in accordance with a resolution of the Board of Directors.

Corporate Governance Statement

This statement sets out the corporate governance practices that were in operation throughout the financial year for Entellect Limited and its controlled entities (the Group). The Group's Directors and management are committed to conducting the Group's business in an ethical manner and in accordance with the highest standards of corporate governance.

The Group has adopted and substantially complies with the ASX Corporate Governance Principles and Recommendations Second Edition August 2007 to the extent appropriate to the size and nature of the Group's operations.

A summary of how the Group complies with the revised ASX Corporate Governance Principles and Recommendations is included below. The various charters and policies are all available on the ESN web site: www.entellect.com.au.

ASX Principle	Status	Reference / Comment
Principle 1: Lay solid foundation for management oversight		
<i>Formalise and disclose the functions reserved to the board and those delegated to management</i>		
1.1 Companies should establish the functions reserved to the board and those delegated to senior executives and disclose those functions	Complying	<p>The Board has adopted a charter which establishes the role of the Board and its relationship with management. The primary role of the Board is the protection and enhancement of long term shareholder value. Its responsibilities include the overall strategic direction of the Group, establishing goals for management and monitoring the achievement of these goals. The functions and responsibilities of the Board and management are consistent with ASX Principle 1. A copy of the Board Charter is posted on the Group's website.</p> <p>Each Director is given a letter upon his or her appointment which outlines the Director's duties. The Group has in place systems designed to fairly review and actively encourage enhanced Board and management effectiveness. The Nomination & Remuneration Committee takes responsibility for evaluating the Board's performance and the Group's key executives annually.</p>
1.2 Companies should disclose the process for evaluating the performance of senior executives.	Complying	The Board and the Chief Executive Officer monitor the performance of senior management, including measuring actual performance against planned performance. The Board also reviews the Chief Executive Officer's performance annually.
1.3 Companies should provide the information indicated in the Guide to reporting on Principle 1.	Complying	A copy of the Company's Board Charter is available on the Company's website in a clearly marked Corporate Governance section. A performance evaluation for senior executives has taken place in the reporting period.
Principle 2: Structure the Board to add value		
<i>Companies should have a board of an effective composition, size and commitment to adequately discharge its responsibilities and duties</i>		
2.1 A majority of the board members should be independent.	Complying	Two of the three Directors of the Board are independent. The test to determine independence which is used by the Company is whether a Director is independent of management and any business or other relationship with the Group that could materially interfere with – or could reasonably be perceived to materially interfere with – the exercise of their unfettered and independent judgement. The Directors considered to be independent are Mr Andrew Plympton and Mr Jeffrey Bennett.

ASX Principle	Status	Reference / Comment
2.2 The chairman should be an independent director.	Complying	The Chairman, Mr Andrew Plympton has been Chairman of the Company since 26 August 2010 and was, at the date of his appointment and continues to be, independent. The Chairman leads the Board and is responsible for the efficient organisation and conduct of the Board's functions.
2.3 The roles of the chairman and the chief executive officer should not be exercised by the same individual.	Complying	The positions of Chairman and Chief Executive Officer are held by separate persons.
2.4 The board should establish a nomination committee.	Complying	The Board has a formal Nomination & Remuneration Committee comprising of the non-executive Directors. The Nomination & Remuneration Committee's functions and powers are formalised in a Charter.
2.5 Companies should disclose the process for evaluating the performance of the board, its committees and individual directors.	Complying	The Board conducts an informal annual performance review of itself that compares the performance of the Board with the requirements of the Board Charter, critically reviews the mix of the Board and suggests and amendments to the Board Charter as are deemed necessary or appropriate.
2.6 Provide the information indicated in the Guide to reporting on Principle 2.	Complying	<p>The following information is set out in the Company's annual report:</p> <ul style="list-style-type: none"> the skills, experience and expertise relevant to the position of director held by each director in office at the date of the annual report; the directors considered by the Board to constitute independent directors and the Company's materiality threshold; the existence of any of the relationships which may affect independence and an explanation of why the board considers a director to be independent notwithstanding the existence of these relationships; a statement regarding directors' ability to take independent professional advice at the expense of the Company; a statement as to the mix of skills and diversity for which the board of directors is looking to achieve in membership of the Board; The term of office held by each director in office at the date of the report. The names of members of the Company's committees and their attendance at committee meetings. whether a performance evaluation for the board, its committees and directors has taken place in the reporting period and whether it was in accordance with the process disclosed; an explanation of any departures from Recommendations 2.1, 2.2, 2.3, 2.4, 2.5 or 2.6. <p>The following material is publicly available on the Company's website in a clearly marked Corporate Governance section:</p> <ul style="list-style-type: none"> a description of the procedure for the selection and appointment of new directors and the re-election of incumbent directors; the Board's policy for the nomination and appointment of directors.

Principle 3: Promote ethical and responsible decision-making

Companies should actively promote ethical and responsible decision-making

3.1 Companies should establish a code of conduct and disclose the code as to:	Complying	<p>The Group has formulated a Code of Conduct which can be viewed on its website.</p> <p>The Group has adopted a Share Trading Policy which can be viewed on its website.</p>
<ul style="list-style-type: none"> The practices necessary to maintain confidence in the company's integrity. The practices necessary to take into account their legal 		

ASX Principle	Status	Reference / Comment
<p>obligations and the reasonable expectations of their stakeholders.</p> <p>The responsibility and accountability of individuals for reporting and investigating reports of unethical practices.</p>		
<p>3.2: Companies should establish a policy concerning diversity and disclose the policy or a summary of that policy. The policy should include requirements for the board to establish measurable objectives for achieving gender diversity and for the board to assess annually both the objectives and progress in achieving them.</p>	Non-Complying	The Board has contemplated the necessity of implementing a diversity policy. Noting the relatively small size of the Company and the fact that the Company has a small number of employees, the Board has resolved to depart from the new recommendations by not implementing a gender diversity policy at this stage.
<p>3.3: Companies should disclose in each annual report the measurable objectives for achieving gender diversity set by the board in accordance with the diversity policy and progress towards achieving them.</p>	Non-Complying	The Board has not implemented a diversity policy and is of the view that due to the relatively few employees that the Company has, the recommendation is inappropriate to the Company's particular circumstances at this stage.
<p>3.4: Companies should disclose in each annual report the proportion of women employees in the whole organisation, women in senior executive positions and women on the board.</p>	Complying	The Company has four employees, of which one is a woman. In addition, the Company's secretary and CFO are women.

Principle 4: Safeguard integrity in financial reporting

Companies should have a structure to independently verify and safeguard the integrity of their financial reporting

<p>4.1 The board should establish an audit committee.</p>	Non-Complying	Whilst the Board has established an Audit & Risk Committee, this is currently suspended until such time as the Board appoints a further Non-Executive and independent director. In the meantime, the Board as a whole carries out the functions of the Audit & Risk Committee in accordance with the Group's Audit & Risk Committee Charter.
<p>4.2 The audit committee should be structured so that it:</p> <ul style="list-style-type: none"> Consists only of non-executive directors; Consists of a majority of independent directors; Is chaired by an independent chair, who is not chair of the board; Has at least three members. 	Non-Complying	See above. The Board as a whole carries out the functions of an Audit & Risk Committee.
<p>4.3 The audit committee should have a formal charter. Companies should provide the information indicated in the Guide.</p>	Non-Complying	The Board has established an Audit & Risk Committee charter.
<p>4.4 Companies should provide the information indicated in the Guide to reporting on Principle 4.</p>	Complying	The Company will continue to explain any departures from Principle 4 in its future annual reports.

Principle 5: Make timely and balanced disclosure***Companies should promote timely and balanced disclosure of all material matters concerning the company***

5.1 Companies should establish written policies designed to ensure compliance with ASX Listing Rule disclosure requirements and to ensure accountability at a senior executive level for that compliance and disclose those policies.	Complying	The Group has a documented policy which has established procedures designed to ensure compliance with ASX Listing Rule disclosure requirements and to ensure accountability at a senior management level for that compliance. The Chief Executive Officer and the Company Secretary are responsible for interpreting the Group's policy and where necessary informing the Board. The Company Secretary is responsible for all communications with the ASX.
---	-----------	--

5.2 Companies should provide the information indicated in the Guide.	Complying	The Company's Market Disclosure & Shareholder Communication Policy is posted on the Company's website in a clearly marked Corporate Governance section.
--	-----------	---

Principle 6: Respect the rights of shareholders***Companies should respect the rights of shareholders and facilitate the effective exercise of those rights***

6.1 Companies should design a communications policy for promoting effective communication with shareholders and encouraging their participation at general meetings and disclose their policy or a summary of that policy.	Complying	<p>The Board informs shareholders of all major developments affecting the Group's state of affairs as follows:</p> <ol style="list-style-type: none"> 1. The annual report is distributed to all shareholders, including relevant information about the operations of the consolidated entity during the year and changes in the state of affairs. 2. The half-yearly report to the Australian Securities Exchange contains summarised financial information and a review of the operations of the consolidated entity during the period. 3. All major announcements are lodged with the Australian Securities Exchange, and posted on the Group's website. 4. Proposed major changes in the consolidated entity which may impact on share ownership rights are submitted to a vote of shareholders. 5. The Board encourages full participation of shareholders at the Annual General Meeting to ensure a high level of accountability and identification with the consolidated entity's strategy and goals. 6. The Group's auditor attends the Annual General Meeting.
--	-----------	---

6.2 Companies should provide the information indicated in the Guide to reporting on Principle 6.	Complying	The Company explains any departures from Principle 6 in its annual reports. The Company's Market Disclosure & Shareholder Communication Policy is posted on the Company's website in a clearly marked Corporate Governance section.
--	-----------	---

Principle 7: Recognise and manage risk***Companies should establish a sound system of risk oversight and management and internal control***

7.1 Companies should establish policies for the oversight and management of material business risks and disclose a summary of those policies.	Complying	The Board has responsibility for monitoring risk oversight and ensures that the Chief Executive Officer reports on the status of business risks through risk management programs aimed at ensuring risks are identified, assessed and appropriately managed. In addition the Board is responsible for reviewing the risk management framework and policies of the Group.
---	-----------	--

7.2 The board should require management to design and implement the risk management and internal control system to manage the company's material business risks and report to it on whether those risks are being managed effectively. The board should disclose that management has reported to it as to the effectiveness of the company's management of its material business risks.	Complying	The Board reviews the Group's major business units, organisational structure and accounting controls and processes on a continuing basis. A description of the Group's risk management policy and internal compliance and control systems will be available on the Group's website shortly.
7.3 The board should disclose whether it has received assurance from the chief executive officer and the chief financial officer (or equivalent) that the declaration provided in accordance with section 295A of the Corporations Act is founded on a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.	Complying	The Chief Executive Officer and the Chief Financial Officer (or equivalent) are required to state to the Board in writing that the integrity of the financial statements is founded on a sound system of risk management and internal compliance and control and that the Group's risk management and internal compliance and control system is operating efficiently and effectively in all material respects.
7.4 Companies should provide the information indicated in the Guide to reporting on Principle 7.	Complying	<p>The following material is included in the corporate governance statement in the Company's Annual Reports:</p> <ul style="list-style-type: none"> • explanation of any departures from Recommendations 7.1, 7.2, 7.3 or 7.4. • whether the Board has received the report from management under Recommendation 7.2 • whether the Board has received assurance from the chief executive officer (or equivalent) and the chief financial officer (or equivalent) under Recommendation 7.3. <p>A summary of the Company's policies on risk oversight and management of material business risks is either currently, or will shortly be, publicly available on the Company's website in a clearly marked corporate governance section.</p>

Principle 8: Remunerate fairly and responsibly

Companies should ensure that the level and composition of remuneration is sufficient and reasonable and that its relationship to performance is clear

8.1 The board should establish a remuneration committee.	Complying	The Board has established a Nomination & Remuneration Committee which is governed by a charter.
8.2 The remuneration committee should be structured so that it consists of a majority of independent directors, is chaired by an independent chair and has at least three members.	Part-complying	The Board's Nomination & Remuneration Committee consists of the two independent Directors, and is chaired by the Company's non-executive independent chairman.
8.3 Companies should clearly distinguish the structure of non-executive directors' remuneration from that of executive directors and senior executives.	Complying	Details of the Directors and key senior executives remuneration are set out in the Remuneration Report of the Annual Report. The structure of non-executive Directors' remuneration is distinct from that of executives and is further detailed in the Remuneration Report of the Annual Report. Equity-based executive remuneration is made in accordance with thresholds set in plans approved by shareholders. In addition, the Group has issued equity based remuneration to both executive and non-executive directors which has been approved by shareholders at a general meeting

8.4 Companies should provide the information indicated in the Guide to reporting on Principle 8.

Complying

Details of the Directors and key management personnel remuneration are set out in the Remuneration Report of the Annual Report.

There are no schemes for retirement benefits, other than superannuation, for non-executive directors.

A copy of the Company's Nomination & Remuneration Committee charter is posted on the Company's website in a clearly marked corporate governance section, together with a summary of the Company's policy on prohibiting entering into transactions in associated products which limit the economic risk of participating in unvested entitlements under any equity-based remuneration schemes

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012

This financial report includes the consolidated financial statements and notes of Entellect Limited and controlled entities ("The Group").

Entellect Limited is a publically listed company limited by shares and is listed in Australia on the ASX. It is incorporated and domiciled in Australia.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Preparation**

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001. The financial report also complies with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board.

This financial report covers Entellect Limited ("The Company") and controlled entities ("The Group") as a consolidated entity. Entellect Limited is a listed public company, limited by shares, incorporated and domiciled in Australia.

The financial report has been prepared in accordance with the historical cost convention and, except where stated, does not take into account changing money values or current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The financial report is presented in Australia dollars.

Comparatives have been restated where appropriate to ensure consistency and comparability with the current year.

a. Going Concern

Notwithstanding the loss for the year of \$1,995,816 (2011: \$1,268,627) and net cash outflows used in operations of \$1,629,953 (2011: \$1,704,849), the financial report has been prepared on a going concern basis. The Directors are confident that the combination of careful management of overheads and the successful development of the KNeoWORLD games portal, as well as potential capital raisings (should the need arise), will provide sufficient funds to meet the ongoing capital requirements of the Group for the foreseeable future.

On the basis of these factors, although there is significant uncertainty, the Group's cash flow forecast fully supports the Directors' view that it is appropriate for the accounts to be prepared on a going concern basis and that the Group will be able to meet its debts as and when they become due and payable for a period of at least 12 months from the date of this report.

b. Principles of Consolidation

The consolidated financial statements incorporate the assets, liabilities and results of entities controlled by Entellect Limited at the end of the reporting period. A controlled entity is any entity over which Entellect Limited has the power to govern the financial and operating policies so as to obtain benefits from the entity's activities. Control will generally exist when the parent owns, directly or indirectly through subsidiaries, more than half of the voting power of an entity. In assessing the power to govern, the existence and effect of holdings of actual and potential voting rights are considered.

Where controlled entities have entered or left the Group during the year, the financial performance of those entities are included only for the period of the year that they were controlled. A list of controlled entities is contained in Note 16 to the financial statements.

In preparing the consolidated financial statements, all inter-group balances and transactions between entities in the consolidated group have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with those adopted by the parent entity.

Non-controlling interests, being the equity in a subsidiary not attributable, directly or indirectly, to a parent, are shown separately within the Equity section of the consolidated Statement of Financial Position and Statement of Comprehensive Income. The non-controlling interests in the net assets comprise their interests at the date of the original business combination and their share of changes in equity since that date.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**c. Business Combinations**

Business combinations occur where an acquirer obtains control over one or more businesses and results in the consolidation of its assets and liabilities.

A business combination is accounted for by applying the acquisition method, unless it is a combination involving entities or businesses under common control. The acquisition method requires that for each business combination one of the combining entities must be identified as the acquirer (ie parent entity). The business combination will be accounted for as at the acquisition date, which is the date that control over the acquiree is obtained by the parent entity. At this date, the parent shall recognise, in the consolidated accounts, and subject to certain limited exceptions, the fair value of the identifiable assets acquired and liabilities assumed. In addition, contingent liabilities of the acquiree will be recognised where a present obligation has been incurred and its fair value can be reliably measured.

The acquisition may result in the recognition of goodwill (refer to Note 1(h)) or a gain from a bargain purchase. The method adopted for the measurement of goodwill will impact on the measurement of any non-controlling interest to be recognised in the acquiree where less than 100% ownership interest is held in the acquiree.

The acquisition date fair value of the consideration transferred for a business combination plus the acquisition date fair value of any previously held equity interest shall form the cost of the investment in the separate financial statements. Consideration may comprise the sum of the assets transferred by the acquirer, liabilities incurred by the acquirer to the former owners of the acquiree and the equity interests issued by the acquirer.

Fair value uplifts in the value of pre-existing equity holdings are taken to the statement of comprehensive income. Where changes in the value of such equity holdings had previously been recognised in other comprehensive income, such amounts are recycled to profit or loss.

Included in the measurement of consideration transferred is any asset or liability resulting from a contingent consideration arrangement. Any obligation incurred relating to contingent consideration is classified as either a financial liability or equity instrument, depending upon the nature of the arrangement. Rights to refunds of consideration previously paid are recognised as a receivable. Subsequent to initial recognition, contingent consideration classified as equity is not remeasured and its subsequent settlement is accounted for within equity. Contingent consideration classified as an asset or a liability is remeasured each reporting period to fair value through the statement of comprehensive income unless the change in value can be identified as existing at acquisition date.

All transaction costs incurred in relation to the business combination are expensed to the statement of comprehensive income.

d. Income Tax

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting period. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well unused tax losses.

Current and deferred income tax expense (income) is charged or credited directly to equity instead of the profit or loss when the tax relates to items that are credited or charged directly to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**d. Income Tax (continued)**

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates enacted or substantively enacted at the end of the reporting period. Their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Where temporary differences exist in relation to investments in subsidiaries, branches, associates, and joint ventures, deferred tax assets and liabilities are not recognised where the timing of the reversal of the temporary difference can be controlled and it is not probable that the reversal will occur in the foreseeable future.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where a legally enforceable right of set-off exists, the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

Tax Consolidation

Entellect Limited and its wholly-owned Australian subsidiaries have formed an income tax consolidated group under tax consolidation legislation. Each entity in the Group recognises its own current and deferred tax assets and liabilities. Such taxes are measured using the 'stand-alone taxpayer' approach to allocation. Current tax liabilities (assets) and deferred tax assets arising from unused tax losses and tax credits in the subsidiaries are immediately transferred to the head entity. The Group notified the Australian Tax Office that it had formed an income tax consolidated group to apply from 1 July 2004. The tax consolidated group has entered a tax funding arrangement whereby each company in the Group contributes to the income tax payable by the Group in proportion to their contribution to the Group's taxable income. Differences between the amounts of net tax assets and liabilities derecognised and the net amounts recognised pursuant to the funding arrangement are recognised as either a contribution by, or distribution to the head entity.

e. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

The cost of fixed assets constructed within the consolidated group includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**e. Property, Plant and Equipment (continued)****Depreciation**

The depreciable amount of all fixed assets is depreciated on a straight-line basis over the asset's useful life to the consolidated group commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Leasehold improvements	20%
Furniture and Fixtures	20%
Plant and equipment	20-50%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

f. Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that is transferred to entities in the consolidated group, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

g. Financial Instruments**Recognition and Initial Measurement**

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through Statement of Comprehensive income', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Finance instruments are subsequently measured at either of fair value, amortised cost using the effective interest rate method, or cost. *Fair value* represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**g. Financial Instruments (continued)**

Amortised cost is calculated as:

- a. the amount at which the financial asset or financial liability is measured at initial recognition;
- b. less principal repayments;
- c. plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the *effective interest method*; and
- d. less any reduction for impairment.

The *effective interest method* is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

The Group does not designate any interests in subsidiaries, associates or joint venture entities as being subject to the requirements of accounting standards specifically applicable to financial instruments.

i. Financial assets at fair value through profit or loss

Financial assets are classified at 'fair value through Statement of Comprehensive Income' when they are either held for trading for the purpose of short-term profit taking, derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

ii. Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period. (All other loans and receivables are classified as non-current assets.)

iii. Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Fair Value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

Impairment

At the end of each reporting period, the Group assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**g. Financial Instruments (continued)****Financial Guarantees**

Where material, financial guarantees issued, which require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due, are recognised as a financial liability at fair value on initial recognition.

The guarantee is subsequently measured at the higher of the best estimate of the obligation and the amount initially recognised less, when appropriate, cumulative amortisation in accordance with AASB 118: Revenue. Where the entity gives guarantees in exchange for a fee, revenue is recognised under AASB 118.

The fair value of financial guarantee contracts has been assessed using a probability weighted discounted cash flow approach. The probability has been based on:

- the likelihood of the guaranteed party defaulting in a year period;
- the proportion of the exposure that is not expected to be recovered due to the guaranteed party defaulting; and
- the maximum loss exposed if the guaranteed party were to default.

De-recognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

h. Intangibles**Intellectual Property**

Acquired intellectual property is recorded at fair value as at the effective date of the relevant acquisition and then amortised on a straight line basis over their useful life of three years to the Consolidated Group commencing from the time the asset is held ready for use.

i. Foreign Currency Transactions and Balances**Functional and Presentation Currency**

The functional currency of each of the Group's entities is measured using the currency of the primary economic environment in which that entity operates. The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

Transaction and Balances

Foreign currency transactions are translated into functional currency using the exchange rates prevailing at the date of the transaction. Foreign currency monetary items are translated at the year-end exchange rate. Non-monetary items measured at historical cost continue to be carried at the exchange rate at the date of the transaction. Non-monetary items measured at fair value are reported at the exchange rate at the date when fair values were determined.

Exchange differences arising on the translation of monetary items are recognised in the statement of comprehensive income, except where deferred in equity as a qualifying cash flow or net investment hedge.

Exchange differences arising on the translation of non-monetary items are recognised directly in equity to the extent that the gain or loss is directly recognised in equity, otherwise the exchange difference is recognised in the statement of comprehensive income.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**i. Foreign Currency Transactions and Balances (continued)****Group Companies**

The financial results and position of foreign operations whose functional currency is different from the Group's presentation currency are translated as follows:

- assets and liabilities are translated at year-end exchange rates prevailing at the end of the reporting period;
- income and expenses are translated at average exchange rates for the period; and
- retained earnings are translated at the exchange rates prevailing at the date of the transaction.

j. Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to reporting date. Employee benefits that are expected to be settled within 1 year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than 1 year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

Defined Superannuation Schemes

In respect of defined contribution superannuation plans, contributions are expensed when incurred.

Equity-settled Compensation

The Group operates equity-settled share-based payment employee share and option schemes. The fair value of the equity to which employees become entitled is measured at grant date and recognised as an expense over the vesting period, with a corresponding increase to an equity account. The fair value of shares is ascertained as the market bid price. The fair value of options is ascertained using a Binomial option pricing model which incorporates all market vesting conditions. The number of shares and options expected to vest is reviewed and adjusted at the end of each reporting period such that the amount recognised for services received as consideration for the equity instruments granted shall be based on the number of equity instruments that eventually vest.

k. Provisions

Provisions are recognised when the Group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the statement of financial position date using a discounted cash flow methodology. The risks specific to the provision are factored into the cash flows and as such a risk-free government bond rate relative to the expected life of the provisions is used as a discount rate. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the time value of money and the risks specific to the liability.

l. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of 3 months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

m. Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. The difference between the amount initially recognised and the amount ultimately received is interest revenue.

All revenue is stated net of the amount of goods and services tax (GST).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**n. Trade and Other Payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Group during the reporting period which remains unpaid. The balance is recognised as a current liability with the amount being normally paid within 30 days of recognition of the liability.

o. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in income in the period in which they are incurred.

p. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

q. Comparative Figures

When required by accounting standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

When the Group applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period will be disclosed.

r. Critical Accounting Estimate and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Group. Actual results may differ from these estimates.

The estimates are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key estimates**Impairment**

The Group assesses impairment at the end of each reporting period by evaluating conditions and events specific to the Group that may be indicative of impairment triggers. Where an impairment trigger exists, the recoverable amount of the asset is determined. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

s. New Accounting Standards for Application in Future Periods

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods. The Group has decided against early adoption of these standards. A discussion of those future requirements and their impact on the Group follows:

- AASB 9: Financial Instruments (applicable for annual reporting periods commencing on or after 1 January 2015).

This standard is applicable retrospectively and includes revised requirements for the classification and measurement of financial instruments, as well as recognition and de-recognition requirements for financial instruments. The Group has not yet determined the potential impact on the financial statements.

The key changes made to accounting requirements include:

- simplifying the classifications of financial assets into those carried at amortised cost and those carried at fair value;
- simplifying the requirements for embedded derivatives;

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**s. New Accounting Standards for Application in Future Periods (continued)**

- removing the tainting rules associated with held-to-maturity assets;
 - removing the requirements to separate and fair value embedded derivatives for financial assets carried at amortised cost;
 - allowing an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. Dividends in respect of these investments that are a return on investment can be recognised in profit or loss and there is no impairment or recycling on disposal of the instrument;
 - requiring financial assets to be reclassified where there is a change in an entity's business model as they are initially classified based on: (a) the objective of the entity's business model for managing the financial assets; and (b) the characteristics of the contractual cash flows; and
 - Requiring an entity that chooses to measure a financial liability at fair value to present the portion of the change in its fair value due to changes in the entity's own credit risk in other comprehensive income, except when that would create an accounting mismatch. If such a mismatch would be created or enlarged, the entity is required to present all changes in fair value (including the effects of changes in the credit risk of the liability) in profit or loss.
- AASB 2011-9: Amendments to Australian Accounting Standards – Presentation of Other Comprehensive Income [AASBs 1, 5, 7, 101, 112, 120, 121, 132, 133, 134, 1039 & 1049] (applicable for annual reporting periods commencing on or after 1 July 2012).
This standard requires entities to group items presented in other comprehensive income on the basis of whether they might be reclassified subsequently to profit or loss and those that will not.
 - AASB 13: Fair value measurement (applicable for annual reporting periods commencing on or after 1 January 2013)
AASB 13 establishes a single source of guidance for determining the fair value of assets and liabilities. AASB 13 does not change when an entity is required to use fair value, but rather, provides guidance on how to determine fair value when fair value is required or permitted. Application of this definition may result in different fair values being determined for the relevant assets.
AASB 13 also expands the disclosure requirements for all assets and liabilities carried at fair value. This includes information about the assumptions made and the qualitative impact of those assumptions on the fair value determined.
Consequential amendments were also made to other standards via AASB 2011-8.
This standard is not expected to impact the Group.
 - AASB 2011-4: Amendments to Australian Accounting Standards to remove individual Key Management Personnel Disclosure Requirements [AASB 124] (applicable for annual reporting periods beginning on or after 1 July 2013).
This amendment deletes from AASB 124 individual key management personnel disclosure requirements for disclosing entities that are not companies.
This Standard is not expected to impact the Group.
 - AASB 2012-2: Amendments to Australian Accounting Standards - Disclosure – Offsetting Financial Assets and Financial Liabilities (applicable for annual reporting periods beginning on or after 1 January 2013).
AASB 2012-2 principally amends AASB 7 Financial Instruments: Disclosures to require disclosure of information that will enable users of an entity's financial statements to evaluate the effect or potential effect of netting arrangements, including rights of set-off associated with the entity's recognised financial assets and recognised financial liabilities, on the entity's financial position.
This Standard is not expected to impact the Group.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**s. New Accounting Standards for Application in Future Periods (continued)**

- AASB 2012-3: Amendments to Australian Accounting Standards –Offsetting Financial Assets and Financial Liabilities (applicable to periods beginning on or after 1 January 2014).
AASB 2012-3 adds application guidance to AASB 132 Financial Instruments: Presentation to address inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of “currently has a legally enforceable right of set off” and that some gross settlement systems may be considered equivalent to net settlement.
This Standard is not expected to impact the Group.
- AASB 10: Consolidated Financial Statements (applicable to period beginning on or after 1 January 2013).
AASB 10 establishes a new control model that applies to all entities. It replaces parts of AASB 127 Consolidated and Separate Financial Statements dealing with the accounting for consolidated financial statements and UIG -112 Consolidation – Special Purpose Entities.
The new control model broadens the situations when an entity is considered to be controlled by another entity and includes new guidance for applying the model to specific situations, including when acting as a manager may give control, the impact of potential voting rights and when holding less than a majority voting rights may give control.
Consequential amendments were also made to other standard via AASB 2011-7.
This Standard is not expected to impact the Group.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 2: LOSS FOR THE YEAR**

	Consolidated Group	
	2012	2011
	\$	\$
a. Other expenses		
- Product development costs	109,861	3,075
- Media and communications costs	13,840	-
- Occupancy costs	169,799	32,451
- Office administrative costs	46,047	21,299
- Other expenses	117,842	25,696
	457,389	82,521

NOTE 3: INCOME TAX EXPENSE

	2012	2011
	\$	\$
Current and deferred tax expense for the year ended 30 June 2012 were nil (2011: nil)	-	-
A reconciliation between tax expense and the product of accounting profit/(loss) before income tax multiplied by the Group's applicable income tax rate is as follows:		
Accounting profit/(loss) before income tax	(1,995,816)	(1,268,627)
At Australia's income tax rate 30%	(598,745)	(380,588)
Temporary differences and tax losses not brought to account as deferred tax assets	598,745	380,588
Income tax benefit reported in the statement of comprehensive income	-	-
Effective tax rate	0%	0%
Income tax losses – tax consolidated group		
Unused tax losses for which no deferred tax assets have been recognised	1,099,139	32,561,803

There were unrecognised deferred tax assets arising from revenue and capital tax losses brought forward from 2011.

Entellect Limited and its 100% Australia resident subsidiaries formed a tax consolidated group in 2002. Entellect Limited is the head entity of the tax consolidated group. The Group had Australian tax losses amounting to \$32,561,803 in 2011. As it is unlikely the Group will satisfy the tests required by ITAA 97 in relation to the losses, the brought forward losses of \$32,561,803 have been disregarded.

The Group incurred Australian revenue losses of \$1,099,139 and a capital loss of \$19,848 during the year ended 30 June 2012. Both losses should be available in future to offset against income as long as the tests in the ITAA 97 are met.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 4: AUDITORS' REMUNERATION**

	2012 \$	2011 \$
Amounts received or due and receivable by Grant Thornton Australia for:		
— An audit or review of the financial report of the entity and any other entity in the consolidated entity	49,500	47,000
— investigating accountant report	-	12,500
	<u>49,500</u>	<u>59,500</u>

Amounts received or due and receivable by Foo Kon Tan Grant Thornton LLP (Singapore) for:

— An audit or review of the financial report of the subsidiary entity	16,151	-
	<u>16,151</u>	<u>59,500</u>

NOTE 5: EARNINGS PER SHARE

	2012 \$	2011 \$
a. Reconciliation of earnings to profit or loss		
Loss for the year	1,995,816	1,268,627
Loss attributable to non-controlling interest	424,847	135,268
Earnings used to calculate basic and dilutive EPS	<u>1,570,969</u>	<u>1,133,359</u>
	No.	No.
b. Weighted average number of ordinary shares outstanding during the year used in calculating basic and dilutive EPS	958,884,689	87,239,240

As the Group has made a loss in the current year, the impact of options is anti-dilutive, and as such has not been included in the calculation of diluted EPS.

NOTE 6: CASH AND CASH EQUIVALENTS

	2012 \$	2011 \$
Cash at bank and in hand	216,957	275,122
Short term deposit (1)	202,298	-
	<u>419,255</u>	<u>275,122</u>

(1) Short term deposit matures within three months and has interest rate at 5.3% p.a. (2011: nil).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 7: TRADE AND OTHER RECEIVABLES**

	2012	2011
	\$	\$
CURRENT		
GST recoverable	13,870	130,696
Other receivables	-	4,524
Provision for impairment	-	-
	13,870	135,220

(a) Provision For Impairment of Receivables

Provision for impairment is recognised when there is objective evidence that an individual trade or other receivable is impaired.

Given that sole receivable balance as at 30 June 2012 is from the Australian Taxation Office, there is no provision for impairment of receivables recognised by the Group (2011: Nil).

The Group does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

(b) Fair value and credit risk

Due to the short term nature of these receivables, their carrying value has been assessed to approximate their fair value.

The maximum exposure to credit risk is the fair value of receivables. Collateral is not held as security, nor is it the Group's policy to transfer (on-sell) receivables to special purpose entities.

Note 8: OTHER ASSETS

- ii. For information relating to share options issued to key management personnel during the financial year, refer to Note 23 Key Management Personnel.

c. Capital Management

Management controls the capital of the Group in order to maintain a good debt to equity ratio, provide the shareholders with adequate returns and ensure that the Group can fund its operations and continue as a going concern.

The Group's debt and capital includes ordinary share capital and financial liabilities, supported by financial assets.

There are no externally imposed capital requirements.

Management effectively manages the Group's capital by assessing the Group's financial risks and adjusting its capital structure in response to changes in these risks and in the market. These responses include the management of debt levels, distributions to shareholders and share issues.

There have been no changes in the strategy adopted by management to control the capital of the Group since the prior year.

The Group has no borrowings as at 30 June 2012 (2011: \$2,327,017).

	531,530	631,627

The property lease is for a 5 year term with an option to exit at year 3, with rent payable monthly in advance. There is no option to extend the lease.

NOTE 18: CONTINGENT ASSETS AND LIABILITIES

The Group had no contingent assets and liabilities as at 30 June 2012 (2011: nil).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 19: OPERATING SEGMENTS****Identification of reportable segments**

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision makers) in assessing performance and determining the allocation of resources.

The Group has two operating segments being the Educational Games Distribution business and the vPublisher eBook Content Delivery Software business. While the Board acknowledges neither business achieved revenue during the period, segment reporting is maintained for continuity and the basis for future reporting.

The Group is managed primarily on the basis of product category and service offerings since the diversification of the Group's operations inherently have notably different risk profiles and performance assessment criteria. Operating segments are therefore determined on the same basis. Reportable segments disclosed are based on aggregating operating segments where the segments are considered to have similar economic characteristics and are also similar with respect to the following:

- The products sold and /or services provided by the segment; and
- The type or class of customer for the products or services.

Basis of accounting for purposes of reporting by operating segments**a. Accounting policies adopted**

Unless stated otherwise, all amounts reported to the Board of Directors, being the chief operating decision maker with respect to operating segments, are determined in accordance with accounting policies that are consistent to those adopted in the annual financial statements of the Group.

b. Segment assets

Where an asset is used across multiple segments, the asset is allocated to that segment that receives majority economic value from that asset. In the majority of instances, segment assets are clearly identifiable on the basis of their nature and physical location.

Unless indicated otherwise in the segment assets note, investments in financial assets, deferred tax assets and intangible assets have not been allocated to operating segments.

c. Segment liabilities

Liabilities are allocated to segments where there is a direct nexus between the incurrence of the liability and the operations of the segment. Borrowings and tax liabilities are generally considered to relate to the Group as a whole and are not allocated. Segment liabilities include trade and other payables and certain direct borrowings.

NOTE 21: SHARE-BASED PAYMENTS

Options outstanding at 30 June 2012 had a weighted average exercise price of \$0.001 cents and a weighted average remaining contractual life of 3 months. Exercise prices range from \$0.01 to \$0.20 in respect of options outstanding at 30 June 2012. No options were granted during the year.

Employee Share Option Plan

On 18 April 2000 the Company, with shareholders' approval, established the employee share option plan. As at the date of this report no options had been granted under this plan.

No ordinary shares have been issued under this plan during the financial year and all options lapsed during the financial year due to their expiration and cessation of employment of option holders.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 22: RELATED PARTY TRANSACTIONS****Directors and Key Management Personnel Transactions with the Group**

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

In July 2011, the Company fully paid off the loan with Furneaux Equity Limited, an entity associated with James Kellett who is the executive director of the Company.

There were no other related party transactions made in the financial year ended 30 June 2012 other than (2011: nil).

Directors and Key Management Personnel Holdings of Shares and Share Options

The relevant interest of directors and their related entities in shares and share options of the Company at the year ended are set out in Note 23 – Key Management Personnel.

** Share consolidation of 20 to 1 fully paid ordinary share basis on 16 March 2011.

Other KMP Transactions

There have been no other transactions involving equity instruments other than those described in the tables above.

For details of other transactions with key management personnel, refer to Note 22: Related Party Transactions.

For details of loans from KMP, refer to Note 12: Borrowings.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 24: FINANCIAL RISK MANAGEMENT**

The Group's financial instruments consist mainly of deposits with banks, accounts receivable and payable and bank borrowings.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

	Note	2012 \$	2011 \$
Financial Assets			
Cash and cash equivalents	6	419,255	275,122
Trade and other receivables	7	13,870	135,220
		433,125	410,342
Financial Liabilities			
Financial liabilities at amortised cost			
— Trade and other payables	11	123,413	228,266
— Borrowings	12	-	2,327,017
		123,413	2,555,283

Specific Financial Risk Exposures and Management

The Group is exposed to a variety of financial risks through its use of financial instruments.

The Group's overall financial risk management plan seeks to minimise potential adverse effects to due to the unpredictability of financial markets.

The Group does not actively engage in the trading of financial assets for speculative purposes nor does it write options.

The main risks the Group is exposed to through its financial instruments are liquidity risk and credit risk.

The risk management policies of Entellect Limited seek to mitigate the above risks and reduce volatility on the financial performance of the Group. Financial risk management is carried out centrally by the Finance Department of Entellect Limited.

a. Liquidity risk

Liquidity risk arises from the possibility that the Group might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Group manages this risk through the following mechanisms:

- preparing forward looking cash flow analysis in relation to its operational, investing and financing activities;
- obtaining funding from a variety of sources;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

Financial Liability and Financial Asset Maturity Analysis

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities. Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012

NOTE 24: FINANCIAL RISK MANAGEMENT (CONTINUED)

	Within 1 Year		1 to 5 Years		Over 5 Years		Total	
	2012	2011	2012	2011	2012	2011	2012	2011
	\$	\$	\$	\$	\$	\$	\$	\$

Trade and other payables	123,413	228,266	-	-	-	-	123,413	228,266
Loans	-	2,327,017	-	-	-	-	-	2,327,017
Total expected outflows	123,413	2,555,283	-	-	-	-	123,413	2,555,283
Financial assets — cash flows realisable								
Cash and cash equivalents	419,255	275,122	-	-	-	-	419,255	275,122
Trade and other receivables	13,870	135,220	-	-	-	-	13,870	135,220
Total anticipated inflows	433,125	410,342	-	-	-	-	433,125	410,342
Net (outflow)/inflow on financial instruments	309,712	(2,144,941)	-	-	-	-	309,713	(2,144,941)

b. **Credit risk**

Exposure to credit risk relating to financial assets arises from the potential non-performance by counter parties of contract obligations that could lead to a financial loss to the Group.

Credit risk is managed through the maintenance of procedures (such procedures include the utilisation of systems for the approval, granting and renewal of credit limits, regular monitoring of exposures against such limits and monitoring of the financial stability of significant customers and counter parties), ensuring to the extent possible, that customers and counter parties to transactions are of sound credit worthiness. Such monitoring is used in assessing receivables for impairment.

Credit Risk Exposures

The maximum exposure to credit risk by class of recognised financial assets at balance date, excluding the value of any collateral or other security held, is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

Collateral held by the Group securing receivables are detailed in Note 8: Trade and Other Receivables.

The Group has no significant concentration of credit risk with any single counter party or group of counter parties. Details with respect to credit risk of Trade and Other Receivables are provided in Note 7.

Trade and other receivables that are neither past due or impaired are considered to be of high credit quality. Aggregates of such amounts are as detailed in Note 7.

c. **Foreign currency risk**

Exposure to foreign exchange risk may result in the fair value or future cash flows of a financial instrument fluctuating due to movement in foreign exchange rates of currencies in which the Group holds financial assets and financial liabilities which are other than the AUD functional currency of the Group.

With financial assets and financial liabilities being held by overseas operations, fluctuations in the US dollar may impact on the Group's financial results unless those exposures are appropriately hedged. The Group does not have a hedge policy in place.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 24: FINANCIAL RISK MANAGEMENT (CONTINUED)****c. Foreign currency risk (continued)**

The following table shows the foreign currency risk on the financial assets and liabilities of the Group's operations denominated in currencies other than the functional currency of the operations. The foreign currency risk in the books of the parent entity is considered immaterial and is therefore not shown.

2012	Net Financial Assets/(Liabilities) in AUD	
	AUD	Total AUD
Consolidated Group		
Functional currency of entity:		
US dollar	1,142	1,142
Statement of financial position exposure	1,142	1,142

2011	Net Financial Assets/(Liabilities) in AUD	
	AUD	Total AUD
Consolidated Group		
Functional currency of entity:		
US dollar	32,067	32,067
Statement of financial position exposure	32,067	32,067

d. Sensitivity analysis

The following table illustrates sensitivities to the Group's exposures to changes in interest rates and exchange rates. The table indicates the impact on how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities assume that the movement in a particular variable is independent of other variables.

Interest rate risk

At balance date, the Group had the following financial asset exposed to Australian variable interest rate risk. The Group has no floating interest rate exposure on financial liabilities as the Group has no floating rate debt.

	Consolidated 2012 \$	Consolidated 2011 \$
Financial assets		
Cash and cash equivalents	<u>419,255</u>	<u>275,122</u>
Net exposure	<u>419,255</u>	<u>275,122</u>

The Group constantly analyses its interest rate exposure. Within this analysis consideration is given to potential renewals of existing positions, alternative financing and the mix of fixed and variable interest rates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 24: FINANCIAL RISK MANAGEMENT (CONTINUED)****Interest rate risk (continued)**

The following sensitivity analysis is based on the interest rate risk exposures in existence at the balance sheet date:

At 30 June 2012, if interest rates had moved, as illustrated in the table below, with all other variables held constant, post tax profit/(loss) and other comprehensive income would have been affected as follows:

	Post Tax Profit/(Loss)		Other Comprehensive Income	
	Higher/ 2012 \$	(Lower) 2011 \$	Higher/ 2012 \$	(Lower) 2011 \$
Consolidated				
+1% (100 basis points)	4,192	2,751	-	-
-0.5% (50 basis points)	(2,096)	(1,376)	-	-

The movements in post-tax profit/(loss) and other comprehensive income are due to higher cash balances on hand as at 30 June 2012. The sensitivity is higher in 2012 than in 2011 because the cash balance in 2012 is higher.

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in the US dollar and AUD exchange rate, with all other variables held constant. The impact on the Group's profit before tax is due to changes in the fair value of monetary assets and liabilities that is not designated in cash flow hedges. The Group's exposure to foreign currency changes for all other currencies is not material.

At balance date, the Group had the following exposure to US\$ foreign currency that is not designated in cash flow hedges:

	Consolidated 2012 \$	Consolidated 2011 \$
Financial assets		
Trade and other receivables	28,591	38,898
Financial liabilities		
Trade and other payables	27,449	6,831
Net exposure	<u>1,142</u>	<u>32,067</u>

The following sensitivity analysis is based on the foreign currency risk exposures in existence at the balance sheet date:

At 30 June 2012, if Australian Dollar had moved, as illustrated in the table below, with all other variables held constant, post tax profit/(loss) and other comprehensive income would have been affected as follows:

	Post Tax Profit/(Loss)		Other Comprehensive Income	
	Higher/ 2012 \$	(Lower) 2011 \$	Higher/ 2012 \$	(Lower) 2011 \$
Consolidated				
AUD to US Dollar +15% (2011: +15%)	(149)	(4,183)	-	-
AUD to US Dollar -15% (2011: -15%)	202	5,659	-	-

The movements in post-tax profit/(loss) and other comprehensive income are due to lower net exposure balance as at 30 June 2012. The sensitivity is lower in 2012 than in 2011 because net exposure balance for 2011 is higher.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2012**NOTE 25: POST BALANCE DATE EVENTS**

Other than the matter noted below, no matters have arisen in the interval between the end of the financial year and the date of this report in respect of any item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Group, to affect significantly the operations of the Group, the results of those operations, or the state of affairs of the Group, in future financial years.

The Company is currently in the process of undertaking a convertible note issue of which it expects to raise approximately \$600,000. The Company will advise the market accordingly upon completion of this issue.

Independent Auditor's Report To the Members of Entellect Limited

Report on the financial report

We have audited the accompanying financial report of Entellect Limited (the "Company"), which comprises the consolidated statement of financial position as at 30 June 2012, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the consolidated entity comprising the Company and the entities it controlled at the year's end or from time to time during the financial year.

Directors responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the Directors determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. The Directors also state, in the notes to the financial report, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, the financial statements comply with International Financial Reporting Standards.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's

judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion:

- a the financial report of Entellect Limited is in accordance with the Corporations Act 2001, including:
 - i giving a true and fair view of the consolidated entity's financial position as at 30 June 2012 and of its performance for the year ended on that date; and
 - ii complying with Australian Accounting Standards and the Corporations Regulations 2001; and
- b the financial report also complies with International Financial Reporting Standards as disclosed in the notes to the financial statements.

Material uncertainty regarding continuation as a going concern

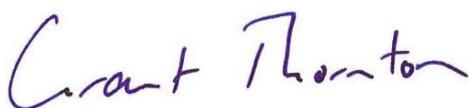

Without qualifying our opinion, we draw attention to Note 1(a) in the financial report which indicates that the consolidated entity incurred a net loss of \$1,995,816 during the year ended 30 June 2012, and had net cash outflows used in operations of \$1,629,953. These conditions, along with other matters as set forth in Note 1(a), indicate the existence of a material uncertainty which may cast significant doubt about the consolidated entity's ability to continue as a going concern and therefore, the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business, and at the amounts stated in the financial report.

Report on the remuneration report

We have audited the remuneration report included in pages 7 to 9 of the directors' report for the year ended 30 June 2012. The Directors of the Company are responsible for the preparation and presentation of the remuneration report in accordance with section 300A of the Corporations Act 2001. Our responsibility is to express an opinion on the remuneration report, based on our audit conducted in accordance with Australian Auditing Standards.

Auditor's opinion on the remuneration report

In our opinion, the remuneration report of Entellect Limited for the year ended 30 June 2012, complies with section 300A of the Corporations Act 2001.
