About KNeoMedia Limited:

KNeoMedia Limited is an online education publishing company that delivers world-class education assessment products and games-based learning to global educational markets.

KNeoMedia publishes and markets from its US-based subsidiary, KNeoWorld Inc., and sells on an annual seat licence basis through its KNeoWorld.com portal via education departments and distribution agreements.

Games Based Learning is an integral part of childhood education. Growth in educational markets, combined with advances in mobile devices and connectivity, will continue to accelerate innovation, adoption, and affordability of our products around the world.

KNeoWorld is an education games portal where young and also special needs students play their way through a futuristic and epic world. They do this by playing compelling games that are subtly infused with validated educational content including numeracy, literacy, science, arts, reasoning and memory. KNeoWorld products provide extensive analytical performance data to educators and comply with child online privacy protection. Our SaaS model provides KNeoWorld with a global education market opportunity addressing both regular and special needs students.
