About KNeoMedia Limited:

KNeoMedia Limited (ASX: KNM) is a SaaS publishing company that delivers world-class education and assessment products to global markets in both special and general education classrooms via its KneoWorld portal special and general education classrooms via its KneoWorld portal. Student seat licences are sold to education departments on an annual basis and via distribution agreements. The KneoWorld platform is a story-based and game assessment learning program that provides engaging and effective ways for students to process and apply academic skills and concepts. Researched and evidence based, programs are mapped and measured to curriculum with student performance data delivered via the educator dashboard. KneoWorld is fully compliant with child online privacy protection including US COPPA and European GDPR. Our proven ability to engage, educate and assess provides a global education market opportunity selling on a business to business strategy.
